16. Specific lobbying issues

Urged members of Congress to send another letter to the French Ambassador to the U.S., expressing concern about current threats to religious freedom in France. The French Ambassador admits that "movements and practices" are being monitored and data on more than 200 have been updated and referred. This "system of reference" will not be published, but it will be available to professionals such as judges, attorneys and doctors. This will inevitably impose arbitrary restrictions on an individual's right to freedom of religion.
